Notes

- The above results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on September 15, 2020.
- The Statutory Auditors of the Company have carried out a Limited Review of the financial results for the quarter ended June 30, 2020.
- Exceptional item of Rs. 2,160.25 crores pertains to write off of amount receivable from the company's subsidiary, Rolta Defence Technology Services Pvt. Ltd. (RDT SPL) pursuant to the transfer of defence business to RDT SPL in the year 2015. The write off the receivable was necessitated on account of the write off of the IPs in the books of RDT SPL based on a valuation exercise undertaken by RDT SPL through an external agency, pursuant to which IPs having a net book value of Rs. 2,165.28 crores were fully written off, on account of their obsolescence.
- Notwithstanding the write off of the IPs relating to the Defence sector, the company still has IPs which can generate enough revenue in the future to be able to generate sufficient taxable income in the future. Further, the IPs which have been presently written off are capable of being upgraded to bring them to a level where they can be commercially exploited to generate economic benefit. Further, the Restructuring Services Agreement (RSA) which was entered into with the Streamcast Group in August 2019, is likely to conclude in the coming three months, which will result in infusion of funds and much needed working capital for execution of contracts and is also likely to result in substantial reduction and rationalisation of the Company liabilities. In the given circumstances the Management of the Company is of the opinion that it continues to be a going concern.
- The Company has recognized deferred tax asset on the incremental tax losses during the quarter as the management is of the view that the Company will be able to generate enough taxable profits in the subsequent years for setting off the accumulated losses, in view of what is stated in note 4 above.
- The Company, at the time of its transition to Ind AS effective April 1, 2015, had opted for and adopted the revaluation model, for its land and buildings, in accordance with Ind AS 16 – Property, Plant & Equipment. In terms of Para 34 of Ind AS 16, the revaluation was required to be carried out as at March 31, 2020. However, due to the COVID- 19 lockdown the Company was unable to undertake the revaluation.. The Company, till date, has been unable to carry out the revaluation on account of the continuing COVID-19 lockdown.
- In February 2020, Tower C which is situated in the same complex as the Corporate Office and having a written down value of Rs. 162.59 crores caught fire due to a short circuit, causing substantial damage to the building and the assets housed therein. However, as at June 30, 2020, due to the continuing COVID- 19 lockdown, apart from the police panchanama, no further work has been undertaken for ascertaining the extent of damage and for initiating the process for lodging of the insurance claim under a reinstatement policy. Under the circumstances, Company has been compelled to retain the said written down value under the head Buildings.

- 8 Unbilled receivable includes amount of Rs.274.83 crores receivable from a Government Department towards maintenance and support services provided by the Company, at the request of the user department, pending renewal of the contract. The Company is confident of recovering the amount as the process of obtaining approval is in an advanced stage.
- 9 Certain Bondholders had filed a Petition in the NCLT seeking relief under Section 7 of Insolvency and Bankruptcy Code. The NCLT admitted the case in November 2019. The said Petition was dismissed by the Hon'ble High Court on December 17, 2019. The Bondholders petition before the NCLT in view of High Court order will be heard afresh, which is yet to be heard and admitted. The Petition filed by Union Bank of India, leader of the consortium banks, in NCLT seeking relief under Section 7 of the Insolvency and Bankruptcy Code 2016, was dismissed by the NCLT (Mumbai) on May 1, 2019 (with liberty to the applicant to file fresh petition) on the ground that it was not maintainable in view of the judgment delivered by the Supreme Court in the case of Dharani Sugars Ltd vs RBI. The Bank has filed a fresh petition on Jan 27, 2020 in NCLT for recovery of its dues from the Company. The said Petition is yet to be heard and admitted.
- The Union Bank of India have also given a notice to the Company under SARFAESI Act, against which the Company is seeking legal steps. Central Bank of India had also issued a notice under the said Act, however no further development has taken place since last Board Meeting
- 10 The ongoing COVID-19 pandemic has impacted and continued to impact the operations of the Company for the quarter ended June 30, 2020. The Company is continuously monitoring the situation, however due to the uncertainty as to when the situation will return to normalcy, it is presently not possible to ascertain the impact of the pandemic on the operations and the assets of the Company for the subsequent period.
- 11 Other Comprehensive Income is not to be considered for the purpose of computation of earning per share as per Ind AS.
- 12 Segment information has been presented in the unaudited Consolidated Financial Results as per Ind AS 108.
- 13 The figures for the quarter ended March 31, 2020 are the balancing figures between the audited figures in respect of the full financial year and the year to date figures up to the third quarter.
