

Rolta wins “IT Solutions Provider of the Year” Award for 2nd Consecutive Year

Mumbai – Rolta was named “IT Solutions Provider of the Year - Oil & Gas” for the 2nd consecutive year at the Frost & Sullivan India Information & Communications Technology (ICT) Awards event in Mumbai on 2nd June, 2016. Frost & Sullivan awards this year recognize outstanding achievements in ‘Digital Transformation’. The eminent jury found Rolta OneView® Enterprise Suite, the flagship BI and Big Data Analytics platform that creates the nexus of Big Data Analytics, Geospatial, IoT, Cloud, and Mobility technologies for digital transformation.

Speaking about this honor at the event, Rajesh Ramachandran, JMD-Global Products & Technology Solutions at Rolta said, “This award is recognition of Rolta’s significant portfolio of innovative solutions for ‘Digital Transformation’ of enterprises, cities and governments. Rolta’s solutions are helping customers globally to achieve faster and higher ROI on the key areas of digital transformation such as Operational Excellence, Risk Management etc.”

Congratulating Rolta on winning the award, Mr. Benoy C S, Director and Head, ICT Practice, Frost & Sullivan said, “Rolta has demonstrated its leadership in providing Oil and Gas industry with innovative solutions that help overcome the challenges posed by a volatile and complex environment by leveraging Data Science and Machine Learning, to deliver spatially-enabled Predictive and Prescriptive Analytics.”

About Frost & Sullivan India ICT Awards

The 2016 Frost & Sullivan India ICT award recipients were judged on a variety of parameters that included revenue growth, market share growth, product portfolio diversity, key achievements, and Go-to-Market strategy, value proposition of the offerings etc. Evaluation involved in-depth primary interviews of various industry participants and secondary research conducted by Frost & Sullivan analysts. An elite panel of jury members comprising prominent CIOs/CTOs from the collaboration industry evaluated the compiled data and incorporated the end-user perspective. Frost & Sullivan then presented the awards to companies that received the highest industry rank in each category.
