

## **Rolta Appoints PTT-ICT as Authorized Distribution Partner for Rolta OneView® Enterprise Suite**

**Mumbai** – Rolta today announced that it has appointed PTT ICT Solutions Company Limited (“PTT-ICT”) in Thailand as its Authorized Distributor to provide Rolta OneView™ solutions to the PTT Group. PTT has operations in eleven countries including Europe and Australia.

The PTT Group is a Fortune Global 500 conglomerate with businesses in exploration and production, oil, gas, refining, petrochemicals, alternate and renewable energy amongst others. PTT-ICT, with the charter of bringing state-of-the-art information and communications technologies to the PTT Group, recognized the business value of Rolta OneView™ that offers comprehensive BI and Big Data Analytics capabilities for each of these segments addressed by PTT.

Through this new relationship, various PTT Group entities will be able to leverage Rolta OneView™ to achieve operational excellence in order to enhance the Group’s competitive strength in the market.

Speaking on the occasion, Ms. Preetha Pulusani, President – International Operations of Rolta said, “We are very pleased to appoint PTT-ICT as our authorized distributor to address BI and Big Data Analytics challenges and drive the business transformation programs within the PTT Group. This is yet another milestone in our strategy to expand into various untapped emerging global markets.”

Mr. Montri, President, PTT-ICT said, “Rolta has a significant track record in the Oil & Gas sector across the globe. We found Rolta OneView™ to be a unique pre-built OT-IT powered Operational Analytics solution with a rapid ROI and a quick implementation timeframe. In partnership with Rolta, we are looking forward to addressing the significant business and operational excellence needs of PTT Group.”

**About Rolta OneView™:** Rolta OneView™ Enterprise Suite is a comprehensive solution that brings unique business value through role-based actionable insights and correlated operational and business intelligence. This Suite uniquely integrates IT and OT systems to build rich industry-specific knowledge models which exploit the power of Data Science to enable real-time, descriptive, diagnostic and predictive analytics. The solution thereby addresses a variety of business transformation programs such as operations excellence, overall equipment effectiveness, composite risk management, etc. by delivering cross functional visibility and situation awareness.

**About Rolta:** Rolta is a leading provider of innovative IP-led IT solutions for many vertical segments, including Federal and State Governments, Utilities, Oil & Gas, Petrochemicals, Financial Services, Manufacturing, Retail, and Healthcare. Rolta is recognized for its extensive portfolio of solutions based on field-proven Rolta IP tailored for Indian Defense and Homeland Security. By uniquely combining its expertise in the IT, Engineering and Geospatial domains, Rolta develops State-of-the-Art Digital Solutions incorporating rich Rolta IP in the areas of Cloud, Mobility, IoT, BI and Big Data Analytics. Rolta is a multinational organization headquartered in India and the Company’s shares have been publicly traded for more than 25 years.
