Rolta Announces ERP Consulting and Deployment Services

Rolta Announces ERP Consulting and Deployment Services

Mumbai, June 18th, 2007: Rolta is a leader in providing knowledge-based comprehensive IT solutions and services in Geospatial/GeoEngineering, Engineering Design, and advanced Security and Network Management to clients worldwide.

Rolta has a track record of integrating its offerings with ERP systems being used by its customers. Leveraging this experience and its domain expertise, Rolta is now offering ERP consultancy services for gap analysis, customisation, implementation, integration, training and roll out for large Telecom, Power Utilities and Engineering, Procurement & Construction companies.

Mr. Kamal K. Singh, Chairman and CEO of the Rolta group, stated that, "Over the years, our professionals have developed and deployed enterprise solutions to meet the needs and challenges of clients across the world. Rolta brings much more than vanilla ERP implementation skills to the table; when these skills are coupled with our rich domain expertise in the segments we address, we offer a unique value proposition to our clients".

About Rolta: Rolta is an Indian multinational organization that has executed projects in over 35 countries. Rolta is a leading provider and developer of Information Technology based Geospatial Information Systems (GIS), Engineering Design Services, Software Development, advanced Security and Network Management, and ERP Consulting and Deployment services worldwide. Rolta, through its joint venture Stone & Webster Rolta Ltd., provides comprehensive Engineering, Procurement and Construction Management (EPCM) services to meet turnkey project requirements of power, oil, gas and petrochemical sectors. Rolta's joint venture with Thales, France leverages a broad spectrum of cutting-edge technologies, systems and solutions from Thales, and Rolta's leadership position in the Indian market. This JV will take advantage of technology transfer from Thales for developing state-of-the-art Command, Control, Communications, Computers, Intelligence, Surveillance, Target Acquisition and Reconnaissance (C4ISTAR) information systems, for domestic and international markets. Rolta, headquartered in Mumbai, employs over 4000 professionals with countrywide infrastructure and international subsidiaries across the globe. Forbes ranked Rolta as one of "Asia's best 200" under a billion for the fourth time in the last six years. The company is listed on the NSE and BSE in India, with its GDRs listed on the London Stock Exchange.
